My dear Friend, In writing to thee  
last week - I omitted to say that in  
the small donation we sent you of  
\$26 - ... there were \$5. from Weston  
sent by Ann Fletcher Jackson. My  
mother is anxious the matter should  
be set right lest you are publishing  
any list of subscriptions or acknow-  
ledgements. We shall be very glad to  
know how you have succeeded this  
year & how the responses have come in  
to your appeal. - I am writing to let  
Stowe in reply to her letter - with  
that be so kind as <sup>to post</sup> ~~mail~~ send to  
me at once I ought to have sent it  
direct - but being of an economical  
turn thought I might send this message to

have mean the same shilling  
We are watching with intense  
-city the news from day to day  
we hope all will quickly advance  
for freedom. With love to  
I think I am  
Yours

Very sincerely

Eliza Wigham

We shall be glad of a letter at the  
earliest convenient date us of  
our \$30 & if the Bill produced  
a satisfactory product.
